This year's Twisted Folk Summer Concert Series is going INTERNATIONAL! We are presenting six shows - including bands from Australia, Canada, and Sweden - nine musicians who are back by popular demand, and a few Grammy winners. The diverse musical styles represented this year, range from traditional to contemporary, plugged-in & unplugged, Americana, Celtic, Scandinavian, folk-rock, vocal virtuosity, and instrumental wizardry. All happening at our scenic hilltop venue for your listening and drinking pleasure!

Tickets are now available for all shows. Visit www.twistedoak.com/concerts for information and prices. Since every show in our 2014 Series sold out, we encourage everyone to purchase tickets in advance and not be disappointed.
